

Cardonald College

Summary of International Activity during 2006

Cardonald College has been active internationally during 2006 in the energy, water and training & development sectors in the following markets.

- Turkey
- Kingdom of Saudi Arabia
- Egypt
- Tunisia
- Libya
- Algeria

Commercial contracts have resulted from our work in Turkey and Egypt with on-going detailed proposal discussions taking place with companies and agencies in Kingdom of Saudi Arabia, Tunisia and Libya.

Most in-country negotiations are led by Mr Colin Gordon, International Development Co-ordinator, with College based support from Miss Lorraine Turner, Marketing Officer (Commercial and International), and management oversight by Mrs Pamela Slater, Head of Marketing and Commercial Development.

Cardonald College anticipates remaining active in the development of international commercial contracts.
